

# CAREY/CARY 25th Family Reunion: 2018

Dear Carey/Cary Family Members and Friends,

[www.careycary.org](http://www.careycary.org)

Our officers Rick and Barbara Carey, Barbara Phillips, Sean Gilson, Helen and I invite and encourage you to join us for the 25th Carey/Cary Family Reunion on October 20-21, 2018.

We will meet at the *Nabb Research Center for Delmarva History and Culture* in the Academic Commons facility on the main campus of Salisbury University on Saturday, October 20, 10am. Specific directions and parking information will be provided after you register for the reunion. [Also, for those who are interested, we will meet for a Saturday evening dinner at a nearby Salisbury restaurant on October 20.]

Once again, we have received a warm welcome to attend the service at Carey's United Methodist Church, 22503 Carey's Camp Road, Millsboro, DE 19966, on Sunday, October 21.

We have an interesting program planned for our Saturday session! "Sign-in" will begin at 10am after which you will have the opportunity to access the extensive Nabb Center resources and consult with its staff in its new facility. We will break for lunch at 12 noon, and our program will follow.

Our 25<sup>th</sup> reunion program will include presentations on the use of space-related technology, the importance of oral histories, and current family research. We welcome your suggestions for the program and your sharing of family research or information that you have. Our business session will follow the program.

Please put the dates on your calendar, register as soon as possible, and encourage family and friends interested in family history/research to join us! Also, we encourage new or renewal of memberships for those unable to attend the reunion. We look forward to seeing you, but please call me if you have questions or suggestions...
